## ABOUT K.V.N. NAIK SHIKSHAN PRASARAK SANSTHS

K.V.N. Naik Shikshan Prasarak Sanstha is a leading educational institution in Maharashtra. It was founded and named after the great visionary Krantiveer Vasantao Narayanrao Naik, who actively participated in freedom Struggle of India and was known as “Krantiveer”. He was born in 1912 at a village Manmad, Taluka-Nandgaon in Nashik District. All his life he remained a revolutionary and was fully devoted to social cause. He was convicted in a political trial first in the year 1940. After release from jail he actively participated in 'Quit India Movement' ( १९४२ ) under the leadership of Father of our nation, Mahatma Gandhi.

In memory of this late revolutionary, the present institution K.V.N. Naik Shikshan Prasarak Sanstha was established in 1921 to provide education to the underprivileged and socially and economically weaker sections of society. Even before that accommodation facility with the name 'Dongare Vastigruha' was started in 1920 with the support of great Social Reformer Rajarshi Shahu Maharaj of Kolhapur Province. Initially, the Institution provided hostel facility to the students belonging to the backward categories who came from rural areas. The Institution has now 60 educational units and more than 25000 students are getting education. including primary, secondary, colleges & ITI.

The institution entered in the field of Technical education in 2011 by opening an Engineering college and Polytechnic college and in 2019 by opening Pharmacy college. (D. Pharm & B. Pharm) Presently we run 2 senior colleges in the district.

## ABOUT THE COLLEGE

Kr. V. N. Naik Shikshan Prasarak Sanstha's Arts, Commerce and Science College started in June 1998 with barely 70 students. Since then it has surprised all by its quantitative and qualitative growth in last 20 years. At present around 5000 students are studying in various programmes and courses in the Institution. It has been the policy of the Institution over the years that the poorest of the poor are not deprived of the opportunity of higher education :The motto of our institution is 'Duritanche timir javo' which means, “Let the Darkness of Ignorance in the life of the downtrodden Disappear...” Being at the centre of the city, it is convenient for the students from all parts of the city to commute to the college easily.

We have been constantly striving to bring in improvements both on academic and administrative levels. The number of student has been increasing over the years and the success rate has satisfactorily improved every year. A number of programmes have been introduced during the last 21 years so that students are given more opportunities to opt for the courses of their choice. The teachers with essential qualifications have been recruited which has definitely helped to upgrade the academic standards of the institution. As a result of our conscious efforts and teamwork we have also got the status of a college with permanent affiliation in 2011. In 2012 the UGC Granted 12 (F), 2B Status to the College. This has helped the institution to improve the physical facilities and research activities of the departments which ultimately benefit the student community. The College got reaccredited in April 2015 by NAAC and obtained 'B' Grade.

## STUDENT SUPPORT FACILITIES

**Laboratories :** The college has spacious and well equipped laboratories for all science departments and the language lab for English department. All the laboratories are well equipped. Physics lab includes material science research lab, Double beam UV spectrophotometer, pyrolysis system, and energy lab.

**Library:** The college has well equipped library. It has a rich collection of reference books, periodicals, encyclopedia, dictionaries and research journals. The separate reading hall is available for the students from early morning to evening.
