## **DEPARTMENT OF BOTANY**

### **A BRIEF REPORT**

**ON**

### **STATE LEVEL SEMINAR**

**“BIODIVERSITY CONSERVATION-PRESENT SCENARIO AND  
FUTURE PERSPECTIVE”  
(18<sup>th</sup> – 19<sup>th</sup> Jan. 2019)**

## **DAY I: INAUGURATION:**

A Two days state level seminar on “Biodiversity Conservation: Present Scenario & future perspective” has been organized during 18-19 January 2019 by the Dept. of Botany. On 18<sup>th</sup> January, an inauguration ceremony of this seminar has been chaired by Dr. Surya Gunjal (Director, School of Agri. Sciences, and Y.C.M.O.U. Nashik), Dr. G.P. Wani (Ex. Principal, Chalisgaon College), Shri Hemant Dhatrak (Secretary, K.V.N.N. S.P. Sanstha, Nashik), Dr. P.P. Sethy (Ex Professor of Botany, Bhonsala Military College, Nashik), Prin. Dr. S.P. Badgujar, Vice Prin. D.R. Kute. The seminar was inaugurated through lightening the lamp by the hands of all dignitaries & chairpersons. During an introductory speech, HoD and coordinator of the Seminar Dr. H. P. Shinde gave a brief background and objectives behind organizing the seminar. He also talked about how survival & maintenance of the species is important for Biodiversity conservation. The chief guest and inaugurator of the seminar Dr. Surya Gunjal (Director, School of Agri. Sciences, and Y.C.M.O.U. Nashik) gave a speech on what is going on & what could be done for achieving environmental sustainability. During his talk; He emphasized on the importance of beneficial soil micro flora, existence and life cycle of honeybees, indigenous crops, mixed cropping system etc. He explained how encroachment by man-made activities, invasive plant species & rapid distribution of weeds etc. have been deteriorating our agricultural system. He demonstrated through several examples that the practice of organic farming is a need of an hour. After his speech, the secretary of K.V.N. N.S.P. Sanstha Shri. Hemant Dhatrak has explained the relevance of the theme of the seminar in today’s world. He talked about increasing mass awareness about use of variety of herbal products from business point of view. After this, Dr. G.P. Wani has described how the Biodiversity is closely related with the survival of human beings on the planet Earth. During the inauguration ceremony, the a special issue of research journal containing various research articles of participating delegates, research students has been published by the hands of dignitaries & chairpersons. Lastly, inauguration session has been concluded by the vote of thanks given by Dr. S. K. Kadwe. The inauguration ceremony was attended by all teaching staff, participating delegates, and researchers across the state as well as the students of Botany department of the college etc.

## TECHNICAL SESSIONS: DAY I

Followed by the inauguration ceremony; the first technical session was conducted by Dr. P.P. Sethy, ex. Professor in Botany, Bhonsala military college, Nashik in which he gave a brief account of Lichen Diversity of Andaman & Nicobar islands. During his session all participants have enjoyed his presentation and asked few questions and queries to which he gave satisfactory answers. During post lunch session; another ex. professor of Botany from K.T. H. M. College, Nashik, Shri. M. V. Mali had given brief presentation on concept and different levels of Biodiversity, the possible risks and threats to the biodiversity as well as important measures to conserve it. Followed by this, Dr. Vaibhav Datrange, chief programme executive of well-known NGO, BAIF had joined with all participants of the seminar and gave his wonderful talk on wild fruits and vegetables, sustainable livelihood etc. After this session Dr. Arun N. Chandore, Asst. professor of botany from A.M. College, Rajapur, Ratnagiri; had given his presentation on wild flora of Western Ghat region with special reference to Konkan region. During his presentation, he talked about future scope & opportunities for publishing the new reports on some flowering plant species. All the participants & students have actively participated and asked lot of questions at the end of his presentation. At the end of the day; a traditional herbal medicine practitioner namely, Shri Devidas Choudhary who has been associated with Nashik based NGO called Maharashtra Prabodhan Seva Mandal (MPSM), had participated and had a talk with all participants on the use of crude herbal drugs for treatment of several diseases. During these two day seminar; he; along with his other team members had put a small exhibition stall near the seminar hall of the college. In this exhibition; he presented different formulations of crude herbal plants which he collected from different forest areas through his extensive surveys and explorations. Also, the students of Botany from our college have also joined to this and conducted small exhibition of some important medicinal plant specimens collected by themselves. Moreover, the students of Botany had arranged a beautiful exhibition on floral diversity of Western Ghat; in which a photographic display of colorful flowers belonging to some rare endemic plants was done.

## TECHNICAL SESSIONS: DAY II

In the morning session Dr. Arvind Dhabe, Professor & Head, Dept. of Botany, B.A.M.U. Aurangabad, has delivered a talk on some rare, endemic medicinal plant species from Aurangabad region. Also, he dealt with his topic very nicely & explained about several approaches by which conservation of these rare medicinal plant species can be done. Followed to this, another session was conducted by Dr. P.P. Sharma, Professor of Botany & Principal, Sillod College, Aurangabad, in which he talked about the history of medicinal plants, different systems of treatment of diseases that existed in India and rest of the world since ancient period. Both of these sessions were very effective and informative for all participants of the seminar.

After this, Dr. P. S. Lohar, Professor and vice principal from Chopda college, Dist. Jalgaon during his session; had a beautiful talk on environmental concerns and global environmental issues like climate change, global warming etc. He had made all participants aware about the serious impact of global environmental changes, natural calamities on the loss and extinction of biological species. During post lunch session, Dr. V.B. Kadam, Asso. Professor of Botany, K.T.H.M. College, Nashik, had a brief talk on different methodologies that can be adopted for the conservation of rare medicinal plants. During his talk he had also explained the relationship between understanding of basic plant physiology & biochemistry in order to better utilization and management of plant resources. Followed by this, Dr. B. M. Gaykar, BOS Chairman in Botany, SPPU Pune had beautiful talk with all the participants regarding algal biodiversity. During his speech he explained different aspects present current algal research as well as the need of Bio prospection in this regard. During his session students asked several questions on current research aspects of algae.

VALEDICTORY SESSION: At last, the valedictory session was held in chief presence of Shri. P.P. Dhattrak, Vice president of KVNN S P Sanstha, Nashik, Dr. B.M .Gaykar, BOS Botany, SPPU, Pune, Dr. P.S. Lohar, and Principal Dr. S. P. Badgujar. HoD Dr. H. P. Shinde presented brief review of two days sessions during the seminar. Prin. Dr. S.P. Badgujar talked about the implementation of environment consciousness in day to day life. Also, Shri. P. P. Dhattrak, vice president of institution expressed his views on importance and conservation of Biodiversity

especially in the field of agriculture. Dr. P. S. Lohar, gave short speech about the need based and effective research activities in the science stream. In this two day seminar, there were about 60 participants and 40 students across the Maharashtra, have participated actively

Also, during the valedictory session, participants and the students had been given a certificates of participation after which they have expressed their views and shared their own experiences. They gave very positive feedback about all the resource persons and technical sessions, quality of food & hospitality provided to them. Overall, they talked in a very positive manner and gave warm thankfulness to the organizing committee and college. Lastly, on behalf of Botany department & KVN Naik College Nashik, vote of thanks was given by Dr. S. K. Kadwe.

Thus, a two day seminar on “Biodiversity conservation: present scenario & future perspective” was organized successfully by Botany department and all staff members like HoD Dr. H.P. Shinde, Dr. S.K. Kadwe, Prof. Chetan Sanap, Prof. Smt. P.K. Ahire, Prof. Sayali Jadhav, Prof. Madhukar sangle have put their sincere efforts.

While Inauguration, the Secretary of K. V. N. Naik Sanstha  
Hon. Hemant Dhattrak and Chief Guest Dr. Surya Gunjal

Chief Guest Dr. Surya Gunjal Addressing the Seminar.

Hon. Guest While Publishing Research Journal

Resource Person Dr. P. P. Sethy While talks on “Lichen Diversity”

Resource Person Dr. Vaibhav Dhatrange delivered a lecture on  
“Wild Vegetable”.

Resource Person Dr. A. N. Chandore talk on Diversity of Konkan  
Region and Western ghat.

Resource Person Prof. M. V. Mali delivered a lecture on “Biodiversity conservation”.

Resource Person Dr. P. P. Sharma delivered a lecture on “Diversity of Medicinal plant”.

Resource Person Dr. Arvind Dhabe delivered a lecture on “Diversity Of Terminalia Genus”.

Certificate Distribution to the Participant

Participant while expressing their opinion on seminar

Participants.

At the end of valedictory session, Dr. S. S. Kadwe While grateful thanksgiving

Participants of Seminar

Hon. Guest While Publishing Research Journal

Certificate Distribution to the Participant by the hands of dignitaries

Sponsored by  
Savitribai Phule Pune University, Ganeshkhind, Pune - 411007

#### INVITATION

Dear Sir / Madam,

It gives us an immense pleasure to invite you to participate in a two day state level seminar on **"Biodiversity Conservation–Present Scenario and future Perspectives"** to be held on **18<sup>th</sup> and 19<sup>th</sup> January 2019** sponsored by Savitribai Phule Pune University and organized by Department of Botany, K.V.N. Naik Arts, Commerce and Science College, Nashik.

#### ABOUT NASHIK

The Western Ghat or Sahyadri range stretches from north to south across the western portion of the Nashik district. Some of the interesting places for sightseeing around Nashik are : Shirdi, Trimbakeshwar, Anjaneri, Saptashringi Temple. Apart from these there many other places such as Panchavati, , PhalkeSmarak and Bhudha Caves, Nandurmadhmeshwar, Bhandardhara Dam, Jawhar. Etc.

#### ABOUT INSTITUTION

**Our Inspiration** Krantiveer Vasantrao Narayanrao Naik Our institution motto is **"Durlanche Timir Jao"** meaning "Let the darkness of ignorance disappear" Kr.VN. Naik Shikshan Prasarak Sanstha is one of the leading educational institutions in Maharashtra. At present about 27,000 students & more than 800 teachers, over 125 non teaching employees are associated with the institution. Dongre Vastigruha was established in 1913 by many leaders and peers of the community to help students from rural and poor background to stay and educate themselves in Nashik. Krantiveer Vasantrao Narayanrao Naik and many others were the pioneers of the "DongreVastigruha". After the demise of Kr. Vasantrao Naik, leaders of the community decided to establish an educational institution to perpetuate the loving memory of the great patriot. As a result, institution called "K.V.N. Naik Shikshan Prasarak Sanstha" was established in 1969.

#### ABOUT COLLEGE

Kr. V. N. Naik Shikshan Prasarak Sanstha's Arts, Commerce and Science College was started in June 1998 and has striven to bring about all round development of students and teachers. Currently more than 4000 students from all parts of society are enrolled in various courses in our college. Being situated in the heart of the Nashik City, it is convenient for the students to approach the college. The college offers various courses at UG & PG level and permanently affiliated to Savitribai Phule Pune University with 12 (B), 2 (F) status from UGC. The college is conducting various career based skill development courses (Bachelor of Vocational Courses) like i) Digital Media and Development, ii) Animation and Graphic Designing, iii) Fashion Designing and iv) Food Processing and Agro-Based Management. These B. Voc. courses are funded by UGC and affiliated to the Savitribai Phule Pune University and designed more on practical basis to help enrolled students to generate their own income and to earn respectable living for them. The college campus is spread over vast area of 10 acres having a great infrastructural development. Library is well equipped with current books, magazines and publication journal. Separate library facility is also provided for the competitive exam aspirants. Inlibnet facility is provided to teaching staff and PG students.

#### ABOUT THE DEPARTMENT

The Department of Botany was established in 2001, since then department has been progressing steadily. The department has produced many meritorious students at UG level. The department possesses well equipped laboratory and sophisticated instrumental facility. The Department works to motivate students through different activities so as to understand biodiversity, natural resources, environmental issues etc. The teaching faculties are involved in scientific research activities, publishing research papers and articles in various journals.

#### ABOUT SEMINAR

Biodiversity boost ecosystem productivity where each species have an important role to play and maintain the balance in ecosystem. Greater species diversity ensures natural sustainability for all life forms. Through this seminar, the department of Botany aims to bring academicians, researchers, and botanists under one roof to share their knowledge for further conservation and present situation of biodiversity and its impact on future.

#### Major Thrust areas of the Seminar

- Historical and Recent aspects of Biodiversity.
- Recent status of research in RET plant species.
- Climatic change and Human impact on Biodiversity.
- Genetic and Microbial Biodiversity and its conservation.
- Status of plant diversity, laws and policies in India.
- Aquatic ecosystem, Ethnobotany.

#### PAPER SUBMISSION

Original research work on the various areas listed above, in the form of full length research papers are invited for the seminar.

E-mail : [botkvnn@gmail.com](mailto:botkvnn@gmail.com)

**Important Dates : Last date for receipt of full length Research paper : 8<sup>th</sup> January 2019**

**Date of Seminar : 18<sup>th</sup> – 19<sup>th</sup> January 2019**

**Note : The papers will be published in UGC listed ISSN journals, with payment Rs. 600/- extra. Abstract / Research Paper will not be published without Registration fees.**

#### REGISTRATION FEES

DELEGATES	RS. 300/-
RESEARCH SCHOLAR	RS. 200/-
PERSONS FROM ACADEMIA / INDUSTRY	RS. 500/-
STUDENTS	RS. 150/-

Payment fees can be done either through D.D./NEFT/RTGS/cash payment.

No T.A. / D.A. will be paid by the organizers.

### नाईक महाविद्यालयात राज्यस्तरीय चर्चासत्र

नाशिक : क्रांतिवीर वसंतराव मारयणराव नाईक महाविद्यालयाच्या वनस्पतिशास्त्र विभागातर्फे येत्या शुक्रवार (ता. १८) पासून दोन दिवसीय राज्यस्तरीय चर्चासत्र होईल. 'जैवविविधता : सद्यःस्थिती व भावी दृष्टिकोन' हा चर्चासत्राचा विषय आहे. राज्यातील विविध महाविद्यालये व विद्यापीठांतील तज्ञ प्राध्यापक उपस्थित राहतील. शुक्रवारी वनस्पतिशास्त्र व जैवविविधतेचे तज्ञ प्रा. डॉ. डी. ए. पाटील, औरंगाबादच्या डॉ. बाबासाहेब आंबेडकर विद्यापीठातील प्रा. डॉ. अरविंद घांबे यांच्या हस्ते चर्चासत्राचे उद्घाटन होईल. चर्चासत्रात स्थानिक जैवविविधतेबद्दलचे पारंपरिक ज्ञान, निसर्गातील विविध प्रजातींच्या नैसर्गिक अधिवासाचा, न्यास आणि त्याच्या संवर्धनाच्या दृष्टीने आवश्यक अशा विविध बाबींवर चर्चा होईल. चर्चासत्रात प्राध्यापक व विद्यार्थ्यांनी सहभागी व्हावे, असे आवाहन वनस्पतिशास्त्र विभागाप्रमुख प्रा. डॉ. एच. पी. शिंदे, प्राचार्य डॉ. शांताराम षडगुजर यांनी केले.

# जैवविविधता संवर्धन ही काळाची गरज : डॉ. गुंजाळ

व्ही. एन. नाईक महाविद्यालय : राज्यस्तरीय चर्चासत्र

कोंकणरोड : वार्ताहर

जैवविविधता संवर्धन ही काळाची गरज असून, स्वाभाविक विद्याभ्यासांनी समाजामध्ये जनजागृती करणे आवश्यक आहे, असे प्रतिपादन डॉ. भूषा गुंजाळ यांनी केले.

घनस्पतीशास्त्र विभागातर्फे 'जैवविविधता सद्यस्थिती व भावी दृष्टिकोन' या विषयावरील नाईक महाविद्यालयात राज्यस्तरीय चर्चासत्रात ते बोलत होते. यशवंतराव चव्हाण महाराष्ट्र मुक्त विद्यापीठातील कृषी विभागाचे संचालक डॉ. गुंजाळ व प्रा. डॉ. जी. पी. चाणी यांच्या चर्चासत्राचे उद्घाटन झाले.

'सामाजिक शैलीचे दुष्परिणाम, विश्वप्राकृतिकपद्धतीचा अभाव तसेच देशी जातींचा होत असलेला न्हाव' यावर सविस्तरपणे विवेचन करण्यात आले.

यासोबतच त्यांची वैयक्तिक शैली आणि जैवविविधता संवर्धनात गांठूय,

मधमाशी आणि तत्सम उपयुक्त मित्र कीटकांचे महत्व विशद केले. तसेच प्रत्येक महाविद्यालयात बायोडायव्हर्सिटी क्लब स्थापन करावा असे सांगितले. यावेळी संस्थेचे सरचिटणीस हेमंत धात्रक यांनी सांगितले की, भविष्यात सॅट्रिय शैलीशिवाय पर्याय नाही. प्राचार्य डॉ. एस. पी. घडगुजर, अध्यापकांचे प्रा. कुटे उपस्थित होते. विभागाप्रमुख डॉ. एच. पी. शिंदे यांनी प्रस्ताविक केले. डॉ. एस. के. कडवे यांनी आभार मानले.
