

## State Level Seminar Summary Report

### Department of Physics

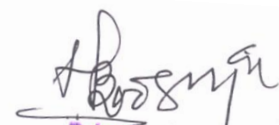

In the Inauguration of State level seminar on 9<sup>th</sup> February of 2018 Dr. S. I. Patil (H.O D. of SPPU department of physics) has delivered informative introductory Lecture on Nonmaterial's and nanoscience. He said nanoparticles are nothing but reducing the dimensions of materials. After that Dr. S.D. Dhole had delivered good valuable information about UV visible and FTIR Spectroscopy for material analysis along with practical purpose and also how important it is for research. After lunch session Dr. M. A. More had delivered lecture on Electron microscopy for material characterization which was innovative topic for students. He has simply method of explanation on concept like what is a nanoparticle? It's like keeping 1000 atoms on the tip of needle this concept had clearly understood by the students.

Second day of seminar Dr. A.V. Patil had delivered basic lecture on bio-nano-sensors along with their preparation and characterization of materials. He explained this concept of nanomaterials which is used in powdered form and in our day to day life. After that Dr. D. S. Patil has delivered lecture on application of nanomaterials in the field of electronics. At the end of seminars Dr. L.A. Patil has delivered very attractive and informative lecture on preparation and application of nanomaterials for detection of chemical warfare Also He has given basic information on how to write Research proposal and project on national as well as international level which was very useful for upgrading the professors.

At the end of seminar President (Kondaji mama Aavhad) had delivered very good comments on over all seminars including "How this 400 nanometer robot is beneficial for human body and used to cure all diseases of human body". In this seminar, 72 students and 31 Professors participated. Hope this seminar upgrade the knowledge level of all participants.

## State Level Seminar on "Synthesis, Characterization and Applications of Nanomaterials" On 9<sup>th</sup> & 10<sup>th</sup> Feb. 2018

Sponsored by,

**SAVITRIBAI PHULE PUNE UNIVERSITY, PUNE.**

Organized by,

**Department of Physics and Electronics**

**Dr. Shantaram Badgujar**

(Principal)

**Dr. Vasant Wagh**

(Co-ordinator, H.O.D., Physics)

**Mrs. Leena Mahajan**

(Secretary, H.O.D., Electronics)

## INVITATION :

Dear friends,  
It gives us an immense pleasure to invite you to participate in the two days State level Seminar on Synthesis, Characterization and applications of nanomaterials to be held on **9<sup>th</sup> & 10<sup>th</sup> Feb. 2018** sponsored by BCU, Savitribai Phule Pune University and organized by Department of Physics and Electronics , K. V. N. Naik Arts, Commerce and Science college, Nashik.

## INSTITUTION PROFILE :

K. V. N. Naik Shikshan Prasarak Sanstha is one of the leading educational institutions in Maharashtra. At present nearly 25,000 students are taking education in various units and disciplines of the institution. Nearly 800 teachers and over 125 non-teaching employees are associated with the institution.

In 1913 Dongre Vastigruha was established by Social Reformers and peers of community Kr. Vasantrao Narayanrao Naik and many others were the pioneers of the " Dongre Vastigruha" After the demise of Krantiveer Vasantrao Naik, Leaders of the Community decided to open an educational institution to perpetuate the loving memory of the great patriot. As a result, institution called "K. V. N. Naik Shikshan Prasarak Sanstha's" was established in 1969.

## COLLEGE PROFILE :

The college has striven to bring about all round development of students and teachers. Kr. V. N. Naik Shikshan Prasarak Sanstha's Art's, Commerce and Science College was started in June 1998. Presently, more than 4000 students are taking education in the college.

The college is situated in heart of Nashik city. Being at the centre of the city, it is convenient for the students to approach the college. The college campus is spread over vast area of 10 acres having a great potential for infrastructural development. Library is well equipped and provides infibnet facility to staff and PG students.

The college offers various courses at UG and PG level. Our college has four principle subject for UG and three PG in science faculty. We have started M.Sc. Physics during academic year 16-17. The college is permanently affiliated to Savitribai Phule Pune University, Pune

## SEMINAR THEMES :

In the recent years, Nano-materials have attained considerable importance because of their highly promising capabilities. Nowadays tremendous growth has been done in the field of material science . Nanomaterials is attractive and challenging area for the researchers due to its vast range of applications.

The two days state level seminar on "Synthesis characterization and applications of nanomaterials" will provide a common platform for researchers working in the field of material science. This conference provide a platform for discussion amongst the researchers, professors and students. The transfer of skills, thoughts, views, ideas, and knowledge is the aim of seminar. The key issues of the seminar are

- 1) Synthesis method for Nanomaterial
- 2) Synthesis skills
- 3) Characterisation of nanomaterial
- 4) Nanoelectronics
- 5) Nanocomposite
- 6) Thin and thick films

## OBJECTIVES OF THE SEMINAR :

1. To bring awareness about recent advances in field of Nano-materials.
2. To update knowledge of synthesis methods and characterization techniques.
3. To provide a platform for the researchers in the field of material science and for meaningful interactions.

## CALL FOR PAPERS :

Academicians, Industrialist and student working in the above area are invited to send their papers through Email to

- 1) vgwaghele@gmail.com
- 2) mahajanleena@gmail.com

The text should be MS-Word, Times new roman, font 12 point with single spacing on A4 size. Last date for paper submission will be 31 Jan 2018. Selected papers will be publish in UGC Listed Journal having above 3 impact factor.

## REGISTRATION FEES :

Students: Rs. 300/-  
Teachers & Others : Rs. 500/-  
Paper Publishing : Rs. 500/-

Note: For all paper contributor's registration for seminar is must. Registration fee can be paid by cash at the time of registration. OR online payment to Principal KVN Naik college

## For NEFT Bank Details :
