**Report of National Conference**

A national Conference was organized by Department of Chemistry on 12<sup>th</sup> & 13<sup>th</sup> January, 2015. The title of the Conference was, "Recent Trends in Chemical Research". The function was inaugurated by Hon. Dr. Kashinath Garkal (Registrar MUHS, Nashik). In his message he conveyed that such type of conference are need in today's life to make it fruitful one should try to blend their ideas in inter disciplinary way and not pure stream only then the application of the research will give a good outcome. Such workshop motivates students as well as lectures in the field of research. Dr. K. H. Kapadnis; BOS member of Chemistry explains the importance of conference for motivations of research in chemical field. K. V. N. Naik Sanstha's Chairman; Mr. Kondaji (mama) Avhad saheb explains, advantages and disadvantages of pesticides, herbicides and insecticides towards farming. Further he explains one should take effort to fight the new diseases as Ebola, Swine Flu and Anaemia in newly born kid and find out the solution.

Principal Dr. V. B. Khedkar explained about purpose to conduct the National Conference which will promotes the research work for improvement of the life. Under the valuable guidance of Prin. Dr. V. B. Khedkar, we published papers in "International Journal of Pharmaceutical Research and Development" an International Standard Serial Number: 0974-9446. Volume-6 Issue-12 January 2015.

The first lecture was delivered by Dr. N. N. Bandella (Department of Environmental Science, BAMU, Aurangabad) on Environmental issues. The topics covered by him include global warming due to Ozone layer depletion and acid deforestation loss of biodiversity. He mentioned that we should go for eco-friendly products, purification process should be enhanced for water pollution.

Second lecture was delivered by Dr. N. B. patel department of chemistry Veer Narmad South Gujarat University, Surat. He covered the topic of concept of drug, historical background and development of new drugs.

The third session of the first day was delivered by Dr. S.S. Patil (Department of Environmental Science, BAMU, Aurangabad). He covered 'Green Chemistry and the Role for

sustainability', where he emphasised on organic fertiliser to minimum pollution. He also mentioned that products should be manufactured in such a way so as to reduce by-product or waste.

The first session of second day was carried out by Prof. Dr. Sanjeevan J Kharat (Bytco College, Nashik). He covered the topic of determination of phosphate in water samples of Nashik District River by U. V. visible spectroscopy. He preferred on eutrophication and various techniques used to detect phosphate.

The next lecture delivered was by Dr. D.B. Gujrathi (Malpani College, Sangamner). He covered the topic of green chemistry where he covered subtopics of safer solvents and auxiliaries, design for energy efficiency, reduce derivatives and development of biotransformal drugs etc. He suggested to avoid the excessive use of reagents, solvents. Further he suggested that Waste generation should be minimized and avoid overheating, control the process variables. He emphasised on minimization of pollutants and harmful chemicals with the help of green chemistry.

The last lecture was delivered by Dr. R. B. Toche; K.T.H.M. College Nashik on "Medicinal chemistry and drug discovery". Where he explained how to synthesis drug structure activity, how to approach for drug designing and move ahead for commercialisation. During first days in the last session 10 people presented paper orally and in the last session of second days also 10 people presented orally.

The chair person for valedictory function was Dr. R.B. Toche and Prin. Dr. R. N. Bhavare and as per their opinion one has to remain updated with the subject and try to blend themselves in research and implement it. In valedictory function, K. V. N. Naik Sanstha's Vice-Chairman Mr. P. P. Dhattrak saheb, addressed that conducting such conference is useful for students and new researchers. He also mentioned that such conferences are important for sharing and extending the knowledge among students, teachers and industrialist. Some participants and students also expressed their opinions about the conference.

I am very much thankful to our Hon. Principal Dr. V.B. Khedkar sir for his valuable guidance and arranging all the facilities required to carry conference successfully. I am also thankful to IQAC chairman Prof. D. R. Kute and all teaching and non-teaching staff of Chemistry department who supported me. I am also thankful to all teaching and non teaching faculties of our college without whom this Conference could not be carried out successfully.

### INVITATION

Dear friends,  
It gives us an immense pleasure to invite you to participate in the two days National Conference on "Recent Trends In Chemical Research" (RTICR-2015) to be held on 12<sup>th</sup> & 13<sup>th</sup> Jan 2015 sponsored by BCUD, Savitribai Phule Pune University and organized by Department of Chemistry, K.V.N. Naik Arts, Commerce and Science College, Nashik.

### INSTITUTIONAL PROFILE

K.V.N. Naik Shikshan Prasarak Sanstha is one of the leading educational institutions in Maharashtra. At present nearly 25,000 students are taking education in various units and disciplines of the institution. Nearly 700 teachers and over 125 non-teaching employees are associated with the institution.

In 1913 Dongre Vastigruha was established by many leaders and peers of the community Kr. Vasantao Narayanrao Naik and many others were the pioneers of the "Dongre Vastigruha". After the demise of Krantiveer Vasantao Naik, Leaders of the Community decided to open an educational institution to perpetuate the loving memory of the great patriot. As a result, institution called "K.V.N. Naik Shikshan Prasarak Sanshta's" was established in 1969.

### COLLEGE PROFILE

The college has striven to bring about all round development of students and teachers. Kr. V. N. Naik Shikshan Prasarak Sanstha's Arts, Commerce and Science College was started in June 1998 with barely 70 students. Our college has now come a long way since its inception. Presently, More than 3000 students are taking education in the college.

The college is situated in heart of Nashik city. Being at the centre of the city, it is convenient for the students to approach the college. The college campus is spread over vast area of 10 acres having a great potential for infrastructural development. Library is well equipped and provides internet facility to staff and PG students.

The college offers various courses at UG and PG level. The college is permanently affiliated to University of Pune and has also acquired the status of 12 (B), 2 (F) by UGC.

### DEPARTMENT PROFILE

The department of Chemistry was established in 2000 along with science college, since then department has been progressing steadily. The Post graduate course in Organic Chemistry has been started in 2009. The department has produced many meritorious students at UG and PG level. The department possesses well equipped laboratory.

### THE CONFERENCE : AN OVERVIEW

In recent years a lot of research has emerged in various fields of chemical sciences. Scientists are mainly trying to develop new research methods and techniques in Chemistry to improve the quality of human life and to solve environmental issues. The need of the day is that government, industry and academicians should join hands to spread the green chemistry wave across the country to achieve the green and clear environment. The organization of such conferences will provide a platform to exchange various ideas and knowledge among the industrial experts, scientists, teachers and students about

- 1) Environmental Chemistry
- 2) Synthetic Chemistry
- 3) Nano technology
- 4) Green Chemistry.
- 5) Polymer Chemistry
- 6) Plant Chemistry
- 7) Drug Development
- 8) Natural Product.
- 9) Spectroscopic methods in Chemistry
- 10) Catalysis.

The major objectives of conference are :

1. To focus on new research dimensions in chemistry.
2. To promote the interdisciplinary approach in research.
3. To provide a platform for research scholars and academicians for meaningful interaction.
4. To create awareness about the global challenges.

### IMPORTANT DATES

Submission of Full Length Paper - 25/12/2014  
Registration on or before - 01/01/2015

The Full Length paper should be submitted via e-mail in advance before 25/12/2014 to.

saritabansod@yahoo.com  
msvaishali167@rediffmail.com

### CALL FOR THE PAPERS

Research papers are invited on any the above themes, along with the abstract. The research paper should be on one side of the paper, line space should be 1.5, typed in Times New Roman with 12 font size on A-4 paper size with 1.5 inch margin on left side and 1 inch margin on all three sides on paper. Title should be 14 point size, bold and caps. All tables, figures, structures charts and images should be identified and arranged according to text. Full length of the

paper should not exceed more than 500 words and submitted in hard and soft copy (along with DD for Rs. 500/- favour of 'Principal, K. V. N. Naik Shikshan Prasarak Sanstha's, Arts, Commerce and Science College, Canada Corner, Nashik') and the duly filled registration form on or before 1<sup>st</sup> January 2015. Kindly give your corresponding address and email id on your paper. The time for presentation of the paper will be 10 minutes only. The paper's will be published in Journal with ISSN / ISBN.

### ACCOMMODATION

Accommodation will be provided on prior request mentioned on registration form.

### REGISTRATION DETAILS

Students Delegates	200/-
Teacher/Scientist Delegates	500/-
Delegates from Industry	500/-

The paper reader and participants should send their registration fees in advance by DD of any nationalised bank drawn in favour of 'Principal, K. V. N. Naik Shikshan Prasarak Sanstha's, Arts, Commerce and Science College, Canada Corner, Nashik'.

### ABOUT NASHIK

Nashik is one of well-known cities on the map of India and is recognized as the fastest growing city in the state of Maharashtra. Nashik is a place of pilgrimage, grey city, wine manufacturing city and transforming into industrial and IT hub.

Nashik is 180 Kms. from Mumbai and can be reached by National Highway No. 3 via Thane, Kasara, Igatpuri. The distance between Pune and Nashik is 210Kms. The train facility is also available on the route.

Some of the interesting places for sightseeing around Nashik are:

Shirdi, Trimbakeshwar, Saptashringi Temple Apart from these there many other places such as Panchavati, MuktiDham, Phalke Smarak and Pandav Caves, Kusumagraj Pratishthan, Nandurmadhmeshwar, Bhandardhara Dam, Gargoti, Jawhar.
