ABOUT THE COLLEGE

Kr. V. N. Naik Shikshan Prasarak Sanstha's Arts, Commerce and Science College, Nashik is a reputed college situated in the heart of Nashik city. It started in the year 1998 with barely 100 students. Since then it has surprised all by its quantitative and qualitative growth in the last 19 years. Our college has now come a long way since its inception. Presently, about 5000 students are taking education in the college. The college offers various courses from Junior college to Post graduation in various streams

ABOUT THE WORKSHOP

Intellectual property is a "Product of Mind". It is similar to the property consisting of movable and immovable property which can be used by the owner along and not lawfully by others without owner's permission. World Intellectual Property Organization (WIPO) states that "Intellectual Property" includes rights related to works in literary and artistic fields, performance of artists, broadcasts (in the form of CD, DVD, tape recording etc), innovations in science and technology, industrial designs, trademarks, service marks, etc. It also includes inventions in all fields of human endeavor and protection against unfair competition and all other rights resulting from intellectual activity in the industrial, scientific or artistic fields.

The workshop focuses on the overview on Intellectual Property Rights (IPR) and how to convert the research and project work into patents. This workshop aims to make the participants to understand about the process of filling and getting patent. The workshop will make the participants to understand the finer nuances involved in writing an effective funding proposals to various grant agencies. This training will bring a positive transformation in the faculty member's attitude in their project and research work and get them more focused as well as result oriented, so that they can achieve the organizational goals at ease.

OBJECTIVES

- To create awareness about IPRs, especially patents and copy rights among faculty members, researchers and PG students.
- To guide researchers / inventors in respect of patenting their inventions.

AIM OF THE WORKSHOP

The main aim of workshop is to impart greater awareness about the issue of Intellectual Property Right (IPR), which has gained a special importance for all the domains of socio-economic development. It aid to understand of patentability criteria in details and viable aspect of the patent.
