**National Conference Report**

**Department of Chemistry**

The Department of Chemistry of K. V. N. Naik Arts, Commerce and Science College, Nashik and Savitribai Phule Pune University jointly organized two days national conferences on “Modern Trends in Green Chemistry, Medicinal Chemistry and Environmental Sciences” on 13-14<sup>th</sup> February 2019. The aim behind organizing this conference is to collaborate Industries, teachers and student for the betterment of human life through sciences. The exchange of ideas is necessary for the overall development of researchers and this conference promised to provide the necessary platform.

The two days national conference was inaugurated by Prof. Dr. P. P. Mahulikar (Pro. Vice Chancellor K. B. C. N. M. U, Jalgaon) as a chief guest of the programme. The presidential address was given by Prin. Dr. S. P. Badgajar and he motivate the audience to carry out research which will be useful for the common man especially farmers. The head of the department and co-ordinator of the conference Dr. V. J Naukudkar gave information related to the department and the aim for organizing the conference and he expected from young researcher to do research in mentioned field. The chief guest of the programme Prof. Dr. P. P. Mahulikar in his address introduced audience to the field of Green Chemistry. He explained the brief history of green chemistry the revolution and the importance of subject and urge researchers to carry out quality research and not to go for quantity. 23 participants published their research papers in RESEARCH JOURNEY (International Multidisciplinary E-Research Journal) ISSN-2348-7143 & Special Issue – 118 on the occasion of National Conference.

The first session was conducted by Dr. Vikas Gite from the Department of Polymer Chemistry K. B. C. N. M. U, Jalgaon. He delived the lecture on polymers from renewable source for composites and coatings.

The second session was conducted by Dr. Rajendra Patil (HOD, Chemistry, Sandip University, Nashik). He gave the idea to make world a sustainable place, emerging trends in chemical research and emphasized the important of green chemistry and need of green chemistry

and renewable source. He also gave the information related to atomic efficiency and discussed his work related to various green chemistry applications. After lunch Principal Dr. R. B Toche from Dadasaheb Bidkar A, C and S College, Peth, Nashik, conducted the session on Chemistry the speech on “Chemistry of Life” giving good example related to life.

On second day 14<sup>th</sup> February 2019 the conference started with poster presentation and oral paper presentation and the session was judged by Dr. A.V. Borhade (R.Y.K. College, Nashik) and Dr. N. D. Gaikhwad (K. T. H. M. College, Nashik). Six posters based on green chemistry and Medicinal chemistry were presented. Five researchers presented their research papers by oral presentation. After oral and poster presentation the session was conducted by Prof. Dr. N. B. Patel from South Gujarat University, Surat. He presented the ideas related to drug discovery and development, the he talked about his work regarding the synthesis of novel drugs. The last session was conducted by Smt. Sharayu Deshmukh, Director, Delta-Fenochem Pvt. Ltd, Nashik she talked about “The expectation of industries from the academicians” and she discussed the ‘importance of research and entrepreneurship and challenges to run a pharmaceutical industries’.

After the last session the valedictory function was organized and the chief guest of the function was Smt. Sharayu Deshmukh, Director, Delta-Fenochem Pvt. Ltd, Nashik, the president of the function was Hon. Hemant (Appa) Dhtarak (Secretary, K. V. N. Naik S. P. Sanstha, Nashik). The chief guest of the function addressed the function and congratulated the institute for conducting and inviting industrialist. The presidential address was given by Hon. Hemant (Appa) Dhtarak and he discussed the issues related to the importance of conferences in the academics and he gave information related to the importance of soft skills.

In the National Conference there were 82 participants from other Colleges including Maharashtra and out of Maharashtra, 51 students from our college so total 133 participants attended the Conference.

Prof. Dr. P. P. Mahulikar (Pro. Vice Chancellor K. B. C. N. M. U, Jalgaon) addressing Key Note to the Audience at the inaugural function of National Conferences on “Modern Trends in Green Chemistry, Medicinal Chemistry and Environmental Sciences”, Dr. Vikas Gite from the Department of Polymer Chemistry K. B. C. N. M. U, Jalgaon., Principal Dr S. P. Badgujar and others

Publishing the Journal Research Journey (International Multidisciplinary E-Research Journal) ISSN-2348-7143 & Special Issue – 118 at the hands of Prof. Dr. P. P. Mahulikar (Pro. Vice Chancellor K. B. C. N. M. U, Jalgaon)

Dr. Rajendra Patil (HOD, Chemistry, Sandip University, Nashik) delivering a  
Lecture on Green Chemistry and Environmental Science

Principal Dr. R. B. Toche from Dadasaheb Bidkar Arts, Commerce and Science  
College, Peth, Nashik, delivered Lecture on “Chemistry of Life”.

## INVITATION

Dear friends,  
It gives us an immense pleasure to invite you to participate in the two days National Conference on "Modern Trends in Green Chemistry, Medicinal Chemistry and Environmental Science" to be held on 13<sup>th</sup> and 14<sup>th</sup> February 2019 sponsored by Savitribai Phule Pune University and organized by Department of Chemistry, K.V.N. Naik Arts, Commerce and Science College, Nashik.

## ABOUT NASHIK

Nashik is one of the well-known city on the map of India and is recognized as the fastest growing city in the state of Maharashtra. Nashik is a place of pilgrimage, grape city, wine manufacturing city and transforming into industrial and IT hub. Nashik is 180 Kms from Mumbai and can be reached by National Highway No. 3 via Thane, Kasara, Igatpuri. The distance between Pune and Nashik is 210 Kms. The train facility is also available on the route.

Some of the interesting places for sightseeing around Nashik are: Shirdi, Trimbakeshwar, Sapthashrungi Temple. Apart from these there are many other places such as Panchavati, Mukti Dham, Phalke Smarak and Pandav Caves, Kusumagraj Pratishthan, Nandur madhmeshwar, Bhandardhara Dam, Gargoti, Jawhar.

## INSTITUTIONAL PROFILE

K.V.N. Naik Shikshan Prasarak Sanstha is one of the leading educational institutions in Maharashtra. At present more than 25,000 students are enrolled in various units and disciplines in the institution. More than 800 teachers and over 125 non-teaching employees are associated with the institution. Dongare Vastigruha was established in 1913 by many leaders and peers of the community to help students from Rural and poor background to stay and educate themselves in Nasik. Krantiveer Vasantrao Narayanrao Naik and many others were the pioneers of the "Dongare Vastigruha". After the demise of Kr. Vasantrao Naik, leaders of the Community decided to establish an educational institution to perpetuate the loving memory of the great patriot. As a result, institution called "K.V.N. Naik Shikshan Prasarak Sanstha" was established in 1969. Our institution motto "Duntanche Timir Jao" meaning "Let the darkness of ignorance in the life of the downtrodden disappear."

## COLLEGE PROFILE

Kr. V. N. Naik Shikshan Prasarak Sanstha's Arts, Commerce and Science College was started in June 1998 and has striven to bring about all round development of students and teachers. Currently more than 4000 students from all parts of society are enrolled in various courses in our college. The college is situated in heart of Nashik city. The college offers various courses at UG & PG level and permanently affiliated to Savitribai Phule Pune University with 12 (B), 2 (F) status from UGC. The college is conducting various career based skill development courses (Bachelor of Vocational Courses) like i) Digital Media and Development, ii) Animation and Graphic Designing, iii) Fashion Designing and iv) Food Processing and Agro-Based Management. These B. Voc. courses are funded by UGC and affiliated to the Savitribai Phule Pune University and designed more on practical basis to help enrolled students to generate their own income and to earn respectable living for them. The college campus is spread over vast area of 10 acres having a great infrastructural development. Library is well equipped with current books, magazines and publication journal. Separate library facility is also provided for the competitive exam aspirants. Infibet (N-LIST) facility is provided to teaching staff and PG students.

## DEPARTMENT PROFILE

The department of Chemistry was established in 2000 along with science college, since then department has been progressing steadily. The Post graduate course in Organic Chemistry has been started in 2009. The department has produced many meritorious students at UG and PG level. The department possesses well equipped laboratory and sophisticated instrumentation facility.

## THE CONFERENCE: AN OVERVIEW

In the 1990s, Paul Anastas and John Warner postulated the 12 principles of Green Chemistry which are still in use today, that focus on the minimization or non-use of toxic solvents in chemical processes and analyzes, as well as the non-generation of wastes from these processes. These principles propose environmentally favorable actions from the planning of the product to its synthesis, processing, analysis and its destination after use. The main objective is to minimize the environmental and occupational hazards inherent in industrial activities.

Currently many workers from industries as well as academics are working in various fields like Catalysis, Environmental Chemistry, Material Sciences, Synthetic Chemistry, Green Chemistry, Medicinal Chemistry, Polymer Chemistry, Nanotechnology etc. for the development of eco-friendly methods for the synthesis of essential substances. Uses of renewable energy, development of novel catalytic process and use of enzymes, ionic liquid and new feed stocks are the current trends in minimizing pollution.

The main idea behind organizing this conference is to expose academic students and researchers to the current trends in industries and provide necessary platform to interact and share essential ideas related to the green chemistry, medicinal chemistry and environmental chemistry which will be beneficial for the development of clean and environmental benign processes. Following are the important disciplines which will be the center of discussion throughout the conference.

- |                                       |                        |
|---------------------------------------|------------------------|
| 1) Environmental Chemistry            | 2) Synthetic Chemistry |
| 3) Green Chemistry                    | 4) Medicinal Chemistry |
| 5) Polymer Chemistry                  | 6) Nanotechnology      |
| 7) Computational Chemistry            | 8) Material Sciences   |
| 9) Spectroscopic methods in Chemistry | 10) Catalysis          |

## The major objectives of conference are :

1. To discuss new idea related to environmental benign processes.
2. To promote the interdisciplinary approach in current research.
3. To provide a platform for research scholars and academicians for meaningful interactions in the fields of environmental, medicinal and green chemistry
4. To create awareness about the global environmental challenges

## CALL FOR THE PAPERS

Research papers are invited on any the above themes, along with the abstract. The research paper should be on one side of the paper, line space should be 1.5, typed in Times New Roman with 12 font size on A-4 paper size with 1.5 inch margin on left side and 1 inch margin on all three sides on paper. Title should be 14 point size, bold and caps. All tables, figures, structures, charts and images should be identified and arranged according to text. For full length paper publication extra Rs. 500/- should be pay in advance with registration fee. Full length of the paper should not exceed more than 500 words and submitted in hard and soft copy (along with DD / RTGS for Rs. 500/- favors of Principal, K. V. N. Naik Shikshan Prasarak Sanstha's, Arts, Commerce and Science College, Canada Corner, Nashik) and the duly filled registration form on or before 28<sup>th</sup> January 2019. Kindly give your corresponding address and email id on your paper. The time for presentation of the paper will be 10 minutes only. The papers will be published in UGC listed ISSN journals. Committee will scrutinise the paper. The scrutinised paper will be published in referred Journal.

## IMPORTANT DATES

Submission of Full Length Paper – 28<sup>th</sup> January 2019.  
Registration on or before – 5<sup>th</sup> February 2019.

The Full Length paper should be submitted via e-mail in advance to:  
vijay\_naukudkar@yahoo.com sachings93@gmail.com

## ACCOMMODATION

Accommodation will be provided on prior request mentioned on registration form.

## REGISTRATION DETAILS

Students Delegates	200/-
Teacher/Scientist Delegates	500/-
Delegates from Industry	500/-
No T.A. / D.A. will be paid by the organizers.	

The paper reader and participants should send their registration fees in advance by DD / RTGS of any nationalized bank drawn in favour of Principal, K. V. N. Naik Shikshan Prasarak Sanstha's, Arts, Commerce and Science College, Canada Corner, Nashik.
